CREATE YOUR SIGNATURE

Poederbaas is van mening dat ieder mens een opmerkelijk pad in zijn eigen avontuur zal maken. Poederbaas ontwerpt de collectie en test deze voordat de productie wordt gestart. Een deel van de collectie wordt nog steeds gemaakt door een team van oma's die trots zijn op elk product dat ze maken. Het andere deel wordt geproduceerd door organisaties die lid zijn van Business Social Compliance Initiative. BSCI is een initiatief ter ondersteuning van retailers, importeurs en merken die de arbeidsomstandigheden op boerderijen en fabrieken wereldwijd wil verbeteren en hanteert een gemeenschappelijke gedragscode voor het nemen van sociale verantwoordelijkheid.

Poederbaas beanies zijn voornamelijk gemaakt van hoge kwaliteit acrylvezels die sterk zijn, niet pillen en zacht aanvoelen. Dit type vezel is bestand tegen water en wind en UV bestendig. Er is geen wateropname (1%) en de vezels drogen zeer snel. Het houdt de warmte beter vast dan wol en jeukt niet.
